**E**  
When your mind is a mess so is mine  
**A**  
I can't sleep cause it hurts  
**Gbm**  
when I think my thoughts aren't at peace  
with the plans that we make, the chances  
**A**  
we take they're not yours they're not mine  
**E**  
there's waves that can break all the words  
**A**  
that we said and the words that we mean  
**Gbm**  
words can fall short can't see the unseen  
**A**  
cause the world is awake for somebody's sake

now please close your eyes woman please get some sleep **E**

**E** and know that if I knew all of the answers **B** **A**  
**E** I would not hold them from you know all of the things **B** **A**  
**E** that I know we told each other "There is no other **B** **A**  
**Gbm** **A** way" Mmmmm mmm mmm mmm

**E**  
Well too much silence can be misleading you're  
**A**  
drifting

I can hear it in the way that you're breathing we  
**Gbm**  
don't really need to find reason 'cause out the same  
**A**  
door

that it came well it's leaving, it's leaving.

**E**  
Leaving like a day that's done and part of a season  
**A**  
resolve is just a concept that's as dead as the leaves  
**Gbm**  
but at least we could sleep it's all that we need when  
**A**  
we wake we would find our minds will be free to go to  
**E** **B** **A** **E**  
sleep and know that if I knew all the answers I would  
not hold  
**B** **A** **E**  
them from you know all the things that I know cause we  
**B** **A** **Gbm**  
told each other there is no other way...  
**A** **E**  
mmm mmm mmm
