Pictures of people taking pictures

A  
I pictured us at the end of time  
A  
Just holding up a camera to our eyes  
A  
I took a picture of you took a picture of me  
A  
In the background of the picture was water running to the sea  
G  
So I pictured us standing there just..  
Em  
Just staying away from time  
G  
Just watching it like a river as it..  
Em  
Slowly washes by..  
A A A

The feedback loop is closing in so tight  
A  
Surrounding ourselves with satellites  
G  
But I picture us standing there just..
