Look what the other got

**F C G**

Shot reverse shot

**F C G**

Look what the other got

**C**

Drop the anchor make it stop

Edible digital clocks

**G**

Infinity figure eight

Figure out what you're not

**C**

Junk-an a po, cut your loss

Come to cut your corners off

**G**

You're the rock and I'm the paper

You're the scissors I'm the rock

**F C G**

Shot reverse shot

**F C G**

Look what the other got

**F C G**

Shot reverse shot

**F C G**

Look what the other got

**C**

Feel this storm go through my sail

Follow someone else's trail

**G**

Camera **A** camera **B**

In your home, on your tv

**C**

Hook me up, look in my eyes

Dilate do I surprise you?

**G**

Watch me blush, blink sink,

Trust in me so you don't have to think

**F C G**

Shot reverse shot

**F C G**

Look what the other got

**F C G**

Shot reverse shot

**F C G**

Look what the other got

**F**

**C**

Can you even feel what's real?

**F**

**G**

With such a shallow depth of field?

**C**

Kill the engine stop the car

Cut the lights and there you are

**G**

Stars so small

You're the king of them all

**C**

Stand tall, rack focus

Now you crawl back broken

**G**

Now the stars so vast

Heat wind break my heart

**F C G**

Shot reverse shot

**F C G**

Look what the other got

**F C G**

Shot reverse shot

**F C G**
