D7 G
Is about last night when the sun went down
C Am
yea.. And the trees all dance

And the warm wind blows in that same old sound
Am D7
And the water below gives a gift to the sky
G C

Am D7
And make the grass grow green beneath my toes
G
And if the sun comes out
C
I'll paint a picture all about
Am
The colors i've been dreaming of
D7
The hours just don't seem enough

To put it all together
D7 G
Maybe it's as strange as it seems
