Jack Johnson - Talk Of The Town

```
I want to be where the talk of the town
Is about last night when the sun went down
yea.. And the trees all dance
                                                 C
And the warm wind blows in that same old sound
And the water below gives a gift to the sky
And the clouds give back everytime they cry
And make the grass grow green beneath my toes
And if the sun comes out
I'll paint a picture all about
The colors i've been dreaming of
The hours just don't seem enough
To put it all together
Maybe it's as strange as it seems
C G
Mmm..
and the trouble I find is that the trouble finds me
It's a part of my mind it begins with a dream
```

```
And a feeling I get when I look and I see
That this world is a puzzle, ill find all of the pieces
And put it all together, and then ill rearrange it
I'll follow it forever
Always be as strange as it seems...mmm
Nobody ever told me not to try
