

# Jack Johnson - Times Like These

Tom: E  
Intro: B A E A E

Primeira parte:

In times like these

In times like those

What will be will be

And so it goes

And it always goes on and on and on and on and on

On and on and on and on and on and on it goes

Hummm... Hummm... Hummm...

Segunda parte:

And there has always been laughing, crying,

Birth, and dying boys and girls

With hearts to take and give and break

And heal and grow and recreate

And raise and nurture but then hurt from time

To times like these

And times like those

What will be will be

And so it goes

Terceira parte:

And there will always be stop and go

And fast and slow and action, reaction,

Sticks and stones and broken bones

Those for peace and those for war

And god bless these ones, not those ones

But these ones made times like these

And times like those

What will be will be

And so it goes

And it always goes on and on and on and on and on

And on and on and on and on and on it goes

Hummm... Hummm... Hummm...

Hummm... Hummm... Hummm...

Final:

But somehow I know it won't be the same

Somehow I know it will never be the same
