

# Jack Johnson - Times Like These

Tom: E  
Intro: B A E A E

Primeira Parte:

In times like these  
In times like those  
What will be will be  
And so it goes  
And it always goes on and on and on and on and on  
On and on and on and on and on and on it goes  
Hummm... Hummm... Hummm...

Segunda Parte:

And there has always been laughing, crying,  
Birth, and dying boys and girls  
With hearts to take and give and break  
And heal and grow and recreate  
And raise and nurture but then hurt from time  
To times like these  
And times like those  
What will be will be

And so it goes  
Terceira Parte:  
And there will always be stop and go  
And fast and slow and action, reaction,  
Sticks and stones and broken bones  
Those for peace and those for war  
And god bless these ones, not those ones  
But these ones made times like these

And times like those  
What will be will be  
And so it goes

And it always goes on and on and on and on and on  
And on and on and on and on and on it goes  
Hummm... Hummm... Hummm...

Final:

But somehow I know it won't be the same  
Somehow I know it will never be the same
