

## Jack Johnson - Walk Alone

```
Tom: E
Who's to say he's not the gifted one
        Gbm
well i forgot he's not the teacher's son
No he's just a reason for her to say
that she needs a substance in her today
well who's to say he's not gonna see the sun
     Gbm
well i forgot he's not the gifted one
no, he's just another version of his dad
   Gbm
who learned to love things that he never
all he ever does is walk alone
    Gbm
                   Α
man he can only can walk so far before
                   Gbm
all he ever does is look inside
      Gbm
                   A E
```

## **Acordes**

```
he don't need nowhere to hide.
( E - Gbm )
i know she's all that he ever loved
   Gbm
at 17, too bad to her he was a passing thing
only temporary 'til she finds someone with everything
cause she's what we might call a sugar queen
    Gbm
see her whole scene consists of diamond rings
but that's ok probably better anyway
cause now that she's free well she might finally see that
all he ever does is walk alone
   Gbm
                   Α
man he can only can walk so far before
                  Gbm
all he ever does is look inside
E Gbm
             A E
he don't need nowhere to hide.
