and we could waste everything tonight

and we could waste

**A7** **Riff1**  
and we could waste it all tonight

Intro: (**D A7 Em A7**)

i don't pretend to know what you know (na na..)

now please don't pretend to know what's on my mind

if we already knew everything that everybody knows

**Riff1**  
we would have nothing to learn tonight

**Riff1**  
and we would have nothing to show tonight

(**G A**)

but everybody thinks that everybody knows

about everybody else but nobody knows

anything about themselves,

because they're all worried about everybody else

Intro: (solo)

(**D A7 Em A7**)

love is just a waste of our energy

and life is just a waste of our time

**Riff1**  
so why don't we get together

and we could waste everything tonight

and we could waste

**Riff1**  
and we could waste it all

(**G A**)

but everybody thinks that everybody knows

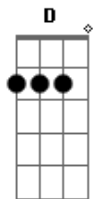

about everybody else but nobody knows

anything about themselves

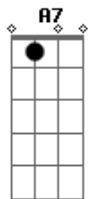

because they're all worried about everybody else

Intro: solo
