

# Jack Johnson - When I Look Up

Tom: **C**

d = downstroke      u = upstroke

d      u d u d      u d u d      u d u d

(intro) **G F C G**

**G**      **F**  
When I look up at the stars

**C**  
As I walk in the night

**G**  
Down the street by my house It feels good

**G**      **F**  
When I look up at the stars

**C**  
As I walk in the night

**G**  
Down the street by my house It feels good

**G**  
The light from the moon

**F**  
Is afraid of the ground

**C**  
So it falls behind spaces

**G**  
And hides behind clouds

**G**      **F**  
When I look up at the clouds

**C**  
As they move through the night with the wind

**G**  
As I walk down the street

**G**      **F**  
The light from the moon Is afraid of the ground

**C**  
So I step on the shadows

**G**  
Of my own feet
