

Jackson do Pandeiro - Mandau

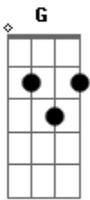

Tom: G

Eu venho do mandaú velho
 Eu venho do mandaú de lá
 Tenho um sapato de salto pra frente
 Nariz ,cara ,boca e dente de morder cristão
 Tem um jacaré que mora na biqueira

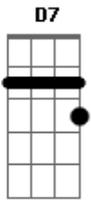

Um cachorro na saveira de espantar ladrão

Tomei um porre na semana santa
 Ofendeu minha garganta
 Eu fiz operação
 Arrancaram meu pulmão
 Arrancaram meu bofe
 Ainda fizeram um cofre no meu coração
