

Jackson do Pandeiro - Procurando Tu

Tom: C

Tom-Am

Intro: dução- D G C F E Am E7 Am E7

Morena diga onde é que tu tava

Onde é que tu tava, onde é que tava tu

Passei a noite procurando tu

Procurando tu, procurando tu

Passei a noite procurando tu,

Procurando tu procurando tu

Eu vivo triste, meu amor me beija

Mesmo que não seja beijo de amor

Esse teu beijo sei que me envenena

G7 C

Mas não tenha pena se é matador

Eu quero um beijo de lascar o cano

Pois eu sou baiano cabra beijador (bis)

Prá você ver

Morena diga...

Chega prá perto, me dá um arrocho

Que eu já tô rocho de tanto roer

Acende o fogo da minha fogueira

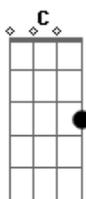

Que a noite inteira eu so faltei morrer

Te procurando, meu amor te dando

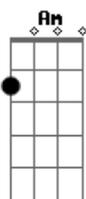

E tu me negando, fazendo eu sofrer (Bis)

Am
Morena diga...
