tom:  
Capotraste na 1ª casa Db (forma dos acordes no tom de C )  
Intro: C G

[Primeira Parte]

We fell in love on Geary Boulevard C  
With the sun coming down on the front of my car G  
Felt something like something like an 80's movie Am  
Felt something like something like you'd never lose me F7M

[Pré-Refrão]

So why we gotta check into the heartbreak hotel C  
Oh hell  
You know me better than myself  
I don't wanna go home, no way G  
Without you  
Ain't gonna be good for my health Am  
And every roadmap leads straight to your heart F7M  
So I can't leave you tonight  
No not tonight

[Refrão]

Cause who's gonna drive you home C  
When you've had a crazy day? G  
Who's gonna dry your eyes Am  
When your tears fall like the rain? F7M  
Tears fall like the rain

[Segunda Parte]

I think we lived in a homemade video C  
But it's like you and I rewind to the lowest low G  
I always thought, always thought we could reverse it Am  
I always thought, always thought we could be perfect F7M

[Pré-Refrão]

So why we gotta check into the heartbreak hotel C  
Oh hell  
You know me better than myself G
