

Jacob Collier - A Rock Somewhere (Feat. Anoushka Shankar & Varijashree Venugopal)

tom:
 I'm on a rock somewhere
 It's the only one I know, and I know it well
 And somehow, I know you're there
 And I'm waitin' on the w_o_r_l_d
 I'm ringing the old church bell
 I've forgotten how it goes but it feels like Hell
 I guess you're in Heaven now
 And you're never comin' home

'Cause even when I'm wide awake, I know
 That you give Heaven other dreams for sure
 If nothing's ever gonna change at all
 I'll be waitin' on the world
 Go

Conditional words, I swear
 See the people come and go, and they go so well
 They countin' the coins back there
 It's the only thing they know
 And even when you're down and out, I know
 That you'll be up in higher ground for sure
 If nothing's ever gonna change at all
 I'll be waitin' on the world
 I'll be waitin' on the world
 Go

I'm on a rock somewhere
 And I've been lookin' at my phone, baby, I'm not scared
 I guess I don't know, my friend
 You left me waitin' on the world
 I'll be waitin' on the world
