

## Jacob Collier - Little Blue

tom:

```
Be my darkness, be my danger
                                                                               Fm7 A7 D2
                                                                       Be the strings of my guitar
Intro:
(Harmonicos)
                                                                              Gadd9
                                                                       Little blue, how I love you
Em7 A7
       Gadd9
Little blue, be my shelter
                                                                       Something strong and something true
Em7 A7 D2
Be my cradle, be my womb
                                                                                                            Am7 D7
                                                                                                      Bm7
                                                                               Gadd9
                                                                       In your arms, so dear and gentle
       Gadd9 Bm7
                                                                                Em7 A7
Be my boat, be my river
                                                                       There's a home that leads me back to you
        Em7 A7 Riff 1
                                                                                           Gbm7 Abm7
Be the stillness of the Moon
                                                                                    Bm7
                                                                       Cause you're not so far away
                                                                        Ebm7 Emaj9
[Riff 1]
                                                                       I hear you say
                                                                                          Ab Dd Eb Bb CM7
                                                                              Bbm7
                                                                       You'll never walk alone
        Gadd9
If I could, I'd go with you
Em7 A7 Riff 2
To a place I never knew
                                                                       Don?t be afraid of the dark
                                                                                                        Fm7 D G
                                                                              A A
                                                                       In your heart, you're gonna find a
        Gadd9
In your eyes, so dark and open
                                                                       To carry the weight of the world
        Em7
                A7
There?s a light that leads me back to you
                                                                                      Α
