

# Jacob Collier - Little Blue

Intro:  
(Harmonicos)

Little blue, be my shelter  
Be my cradle, be my womb  
Be my boat, be my river  
Be the stillness of the Moon

[Riff 1]

If I could, I'd go with you  
To a place I never knew  
In your eyes, so dark and open  
There's a light that leads me back to you

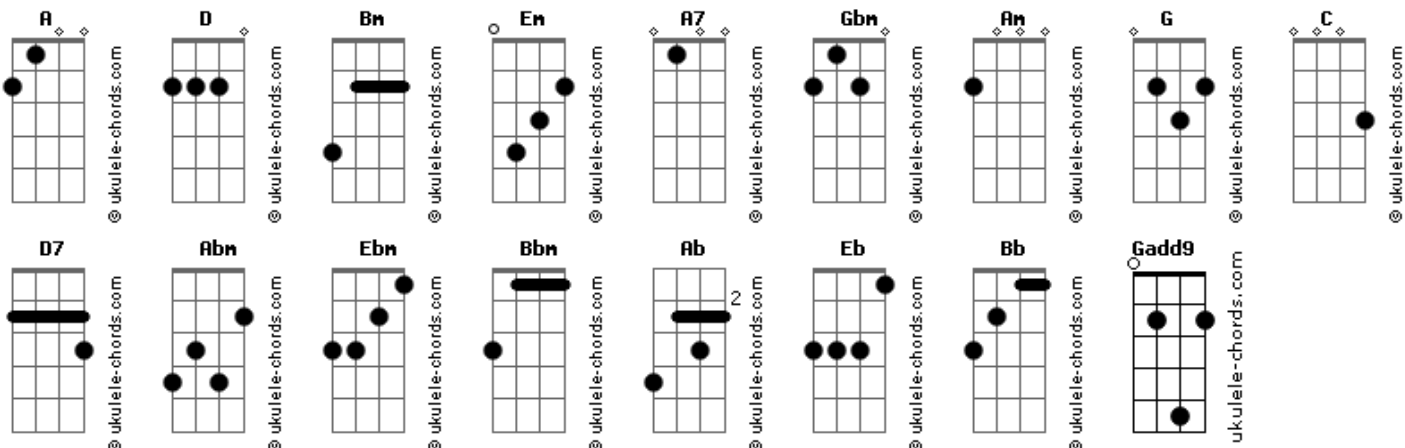

[Riff 2]

Cause you're not so far away  
I hear you say  
You'll never walk alone  
Don't be afraid of the dark  
In your heart, you're gonna find a way  
To carry the weight of the world  
On your shoulders  
You're gonna find a way home

[Ponte]

Little blue, be my anchor  
Be my light, my compass star

## Acordes

Be my darkness, be my danger  
Be the strings of my guitar  
Little blue, how I love you  
Something strong and something true  
In your arms, so dear and gentle  
There's a home that leads me back to you

Cause you're not so far away  
I hear you say  
You'll never walk alone

Don't be afraid of the dark  
In your heart, you're gonna find a way  
To carry the weight of the world  
On your shoulders  
You're gonna find a way home  
Don't be afraid of the dark  
In your heart, you're gonna find a way  
To carry the weight of the world  
On your shoulders  
You're gonna find a way home  
(Gonna find a way home)  
(Gonna find your way home)  
(In your eyes)  
(Gonna find a way home)  
(In your eyes)  
(On your shoulders)

[Final]
