

Jacob Lee - Ghost

Tom: **A**

Gm
Ghost, I see you standing there **D**

A
Don't turn away, I want you to stay **E**

Gm
Ghost, what's your name? **D**

A
Why so surprised? I'm interested **E**

Bm
You're just a soul that blends into the crowd

Dm
I hear you so loud no one else hears a sound **D**

E
You reach out your hand no one else feels a thing

Gm
And I'm just a stranger who could be a friend

D
You could have been so great **A**

E
I won't let you slip away

Gm
Is there any hope for us left

D
Even a ghost needs a friend

A
You could have been someone

E
But you let them into your head

Gm
I want you to know this instead

D
That I see the light in your chest

A
Ghost, where you from? **E**

E
I can take you away, so far away

Gm **D**
Ghost, I'll make sure they all see

A **E**
The kind of man, that you can be

Bm
Open your lungs and inhale my words

Dm
I see in your eyes a reflection of hurt **D**

D
The book in your mind hasn't come to an end

E
There's always a page that hasn't been read

Gm **D**
You could have been so great

A
I won't let you slip away

E
Is there any hope for us left

Gm
Even a ghost needs a friend

D
You could have been someone

A
But you let them into your head

E
I want you to know this instead

Gm
That I see the light in your chest

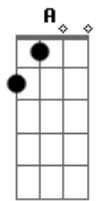

Dm **D**
Your heart, it beats, forever, forever, we see **A**

D **Dm**
I will believe that there's a ghost in me

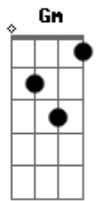

A **D**
Your lungs, they breathe, forever, forever, we see

E
I will believe
