

Jacob Lee - Ghost

Tom: **A**

Gm
Ghost, I see you standing there **D**

A
Don't turn away, I want you to stay **E**

Gm
Ghost, what's your name? **D**

A
Why so surprised? I'm interested **E**

Bm
You're just a soul that blends into the crowd

Dm
I hear you so loud no one else hears a sound **D**

E
You reach out your hand no one else feels a thing

Gm
And I'm just a stranger who could be a friend

D
You could have been so great **A**

E
I won't let you slip away

Gm
Is there any hope for us left

D
Even a ghost needs a friend **A**

E
You could have been someone

Gm
But you let them into your head **A**

D
I want you to know this instead **E**

A
That I see the light in your chest

Gm
Ghost, where you from? **D**

A
I can take you away, so far away **E**

Gm
Ghost, I'll make sure they all see **D**

A
The kind of man, that you can be **E**

Bm
Open your lungs and inhale my words

Dm
I see in your eyes a reflection of hurt **D**

D
The book in your mind hasn't come to an end **E**

Gm
There's always a page that hasn't been read

D
You could have been so great **A**

E
I won't let you slip away

Gm
Is there any hope for us left

D
Even a ghost needs a friend **A**

E
You could have been someone

Gm
But you let them into your head **A**

D
I want you to know this instead **E**

A
That I see the light in your chest

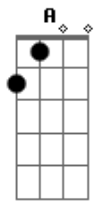

Dm
Your heart, it beats, forever, forever, we see **A**

D
I will believe that there's a ghost in me **Dm**

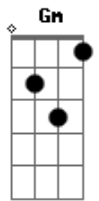

A
Your lungs, they breathe, forever, forever, we see **D**

E
I will believe
