Jaden Smith - Fallen

Tom: D

Take me to the truth
Dbm Bm
Take me home with you
Dbm Bm
Change my taste in music
Dbm Bm
I'm fallen, make me rise with you
Dbm Bm
She likes me, I'm surprised you do

(Dbm Bm)
Look, your love's like a river, bae
I've seen better days, yeah
And my soul, you penetrate
I need your energy
Vibrations make me levitate
Sipping hennessy
Reading bell hooks, she just saying

Dbm Bm
I'm surprised you do, baby
Dbm Bm
I won't lie to you, I love you
Dbm Bm
I'm a guy who's new
Dbm Bm
Hide me from the blue
Dbm Bm
I'm dying on the moon
Dbm Bm
And I just need you

(Dbm Bm)
Baby, you are so unusual
Like cutting cuticles
But that is just what makes you beautiful
Like watching tulips grow
When you walk, it's just slow motion baby
Why you moving slow?
When you talk
I got my lasers on you like a ufo
Girl your eyes are like the open sea
The simple poetry
This whole generation, omg
I see its soul, it's older

We should build a city overseas
This country kinda cold
I mean they feed they children dopamine
And leave them on the sofa
I mean, ah
I need someone to renounce with, woah
Ice bucket challenge in the fountain, woah
Chance of finding you
One in a hundred thousand, woah
I just wanna kiss you on the mouth, woah

Dbm Bm
Spend some time with you
Dbm Bm
I might bend the rules
Dbm Bm
Cause I'm in love with you
Dbm Bm
You can see the truth
Dbm Bm
I will show you soon
Dbm Bm
Just meet me on the moon

(Dbm Bm)
She said love is a strong word
Said, love is a strong word
Well I'm a sing it for you baby
I'll be your song bird
If we don't have no loving
How we supposed to move on, word?
Heard a brother just got shot
Because he stopped on the wrong curb
If love is a strong word
Love is a strong word
But we'll need lots of loving
If we wanna move on, word
And I'm a sing it to you
Baby, I'll be your song bird
But I'm a keep it honest with you

Dbm Bm
I won't lie to you
Dbm Bm
My pride dies with you
Dbm Bm
Girl, I love you too
Dbm Bm
I will see you soon
Dbm Bm
Your homework is due
