Dm  
 Watch me, watch me

F

G  
 Can't find me up up and away  
 I give a fuck bout your wave  
 N.C.  
 My nigga I surf everyday  
 Drownin' my soul in the basement, aye

G  
 I ain't got much in the bank  
 I got a lot I could say  
 D  
 Got a blue goddess to say  
 I hope you forgive my mistakes

Dm  
 Yeah, ride around with a renegade  
 You should take a seat, save your energy

Dm  
 I try to heal the gods with a band-aid  
 And the time I need you call your enemies

Dm  
 I landed in Ibiza and I need a visa  
 I ain't playin' with you this no Mamma Mia

Dm  
 Need a Hottie Tottie with a body, yeah  
 I just spit the knowledge then I'm out of here

Dm  
 (Yeah!) Thats what they are when we come around  
 Dm  
 (Yeah!) this is your town and we run it now  
 Dm  
 (Yeah!) How big is your army, a hunnit thou?  
 Dm  
 (Yeah!) if you want the rain then we comin' down

Dm  
 I stamp that we cool  
 I'm awesome, kickflip in the Carsons  
 Dm

We should run for the pool  
 I got the fire flow, the department exhausted

Dm  
 I owe nothing to you

Bb  
 I'm in the Tahoe, man you making me nauseous

Dm  
 Pullin up with the crew

You such a hypebeast, man you making me vomit  
 Look

Dm  
 Watch me, watch me

Dm  
 Watch me, do this

Dm  
 Its always been more than the music

F  
 You riding waves in the back of my cruise ship

Dm  
 Look, Watch me, watch me

Dm  
 Watch me, do this

Dm  
 Since 2012 I've been the coolest

F  
 If you do not get it my nigga you foolish

Dm  
 (Yeah!) Thats what they are when we come around

Dm  
 (Yeah!) this is your town and we run it now

Dm  
 (Yeah!) How big is your army, a hunnit thou?

Dm  
 (Yeah!) if you want the rain then we comin' down

Dm  
 Look, look, look

Dm  
 This shit is out of here

Dm  
 You got the heat I was not aware

Dm  
 Me and Bebe out in Rotterdam

Dm  
 Got a new man, damn now I see him  
 He on the floor, in my coliseum

Dm  
 I hope to god he don't sign a prenup  
 See my ex on the street like I never seen her!

Dm  
 Watch me, watch me

Dm  
 Watch me, do this

Dm  
 You see me dancing like I'm Elvis

Dm  
 Just tell your man that it's all in the pelvis

Dm  
 Watch me, watch me

Dm  
 Watch me, do this

Dm  
 Since 2012 I've been the coolest

F  
 If you do not get it my nigga you foolish

Dm  
 (Yeah!) Thats what they are when we come around

Dm  
 (Yeah!) this is your town and we run it now

Dm  
 (Yeah!) How big is your army, a hunnit thou?

Dm  
 (Yeah!) if you want the rain then we comin' down
