

Jáder Loures - Por Trás Dos Olhos

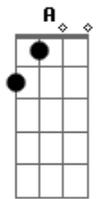

tom:

Intro: A D A
 A D
 Por trás dos olhos
 Não há passagem
 Não há resquício sem procurar
 O que me assola são as horas
 Que passam sem avisar

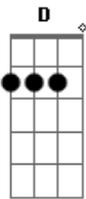

A vida toda esperei algo assim

Que distorce e quebra
 A vaga lembrança que domina
 Tão perto, tão longe de mim
 Eu vou sair da sua órbita
 Vou explodir noutra lugar
 Estrela blue em outra rota
 Quero ver, vai sorrir quando eu voltar
