- We are here dancing along like peas
Who would not like... to give a try?
Stop and stare
Watch out cause they might scare
My mind goes wild
They say you've been crying tears
Hope never seemed so weak
Too long holding on but cheers
You've never look so good
And we are here dancing along like peas
Who would not like... to give a try?
If you got scared I will love you anyway
Girl, they said we're wrong
