Call on me, anytime you want to
Call on me baby girl I want you, ah huh

She was nine and I was ten
She used to be, my next door neighbor
She even went to school with my sister Makayla yeah
Now were two grown folks, years gone by and we still keep
close
Loving me, I'm loving her the same
I just want you to know that I love you so oh

Anytime you need a lover call on me, my heart is aching
Call on me, anytime you want to

I fell in love the first time I saw you
And I don't ever worry cause I know can call you yeahh
