

# Jaime R. Echavarría - Serenata de Amor

Tom: D

m                    Bb            A  
 Se va llenando la noche  
 Dm                    Bb            A  
 Con rumores de canción  
 C                    F  
 Y se enreda en tu ventana  
 Gm   C                    F  
 Mi serenata de amor  
 A                    Dm  
 Las estrellas quedamente  
 Gm                    A  
 Empiezan a susurrar

Dm                    Bb            A  
 Y va llenando la noche  
 D                    Bb            A  
 Mi serenata de amor

Dm                    Bb            A  
 La luna se vuelva plata  
 Dm                    Bb            A  
 Cuando cae en el maizal  
 C                    F  
 Y el viento se va llevando  
 Gm   C                    F  
 Las notas de mi cantar  
 A                    Dm  
 Es las noche de mi tierra

Gm                    A  
 Que se ha vuelto corazón

Dm                    Bb            A  
 Con ella voy adornando

 Mi serenata?. de amor

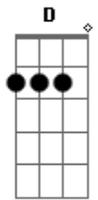

( Bm   D   Gbm )  
 ( D   Bm   D )

[Final]

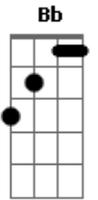

A                    D  
 Voy a dejarte mis quejas  
 Gb                    Bm            D  
 Muy adentro de tu alma  
 G                    Ab                    D  
 Vengo a cambiar tus desdenes  
 A                    D  
 Por un poco de esperanza

A                    D  
 Fue para ti solamente  
 Gb                    Bm            D  
 Mi sentida serenata  
 G                    Ab                    D  
 Que forjaron las estrellas  
 A                    D  
 Y el viento de mis mōntanas
