

Jain - All My Days

```
Tom: E
 (com acordes na forma de C )
Capostraste na 4^{\underline{a}} casa
Intro: C F E Am
Everything I've done in my life is walk a little more,
           F
We've been raised in the same world with all those different
colors,
Everything I've done in my life's walk a little more,
I walk through the pain and joy that gives the years over my
back,
All my days I'll be trying
All my days I'll be trying
On and off the road I try to keep my clocks on time,
It's the only way I've got to make sure that I am not lost,
On and off the road I want to keep your love on top,
It's the only way for me to be as strong as I'd like to be,
                      Am
All my days I'll be trying
```
