

# Jair Rodrigues - Contra Canto

Tom: D

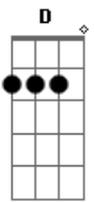

Intro: Bm G A7 D Bm Dbm7 Gb7

Bm7 A  
 Vem, vamos cantar,  
 Gb7 Bm7 Gb7  
 Eu dou o tom, você faz a melodia.  
 Bm7 Gbm G7 C7  
 Vou, procurar,  
 Dbm7 Gb7 Bm7  
 No contracanto fazer a harmonia.  
 Em7 A7  
 No violão, que é tão meu,  
 D7 Bm7  
 Procurei seu amor,  
 Dbm7 Gb7 Bm7  
 Nunca mais vou parar de tocar, bem sei.  
 Em7 A7  
 Quantas notas eu fiz,  
 D7 Bm7  
 Num compasso vivi,

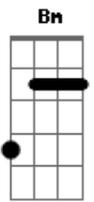

Dbm7 Gb7  
 Sustenidos, bemóis  
 Bm7  
 pelas mãos eu chorei.

Estrilho  
 Em7 A7  
 Meu violão já me fez  
 D7 Bm7  
 Ir bem longe daqui,  
 Dbm7 Gb7  
 Já sonhei dissonâncias  
 Bm7  
 Num som sem fim.  
 Em7 A7  
 Um acorde, porém,  
 D7  
 Nunca pude encontrar,  
 Dbm7 Gb7 Bm7  
 A harmonia que você levou de mim.
