

Jair Rodrigues - Contra Canto

Tom: D

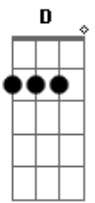

Intro: Bm G A7 D Bm Dbm Gb7

Bm A
Vem, vamos cantar,
Eu dou o tom, você faz a melodia.
Bm Gbm G7 C7
Vou, procurar,
No contracanto fazer a harmonia.
Em A7
No violão, que é tão meu,
D7 Bm
Procurei seu amor,
Dbm Gb7 Bm
Nunca mais vou parar de tocar, bem sei.
Em A7
Quantas notas eu fiz,
D7 Bm
Num compasso vivi,

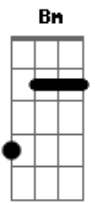

Dbm Gb7
Sustenidos, bemóis
Bm
pelas mãos eu chorei.

Estrilho
Em A7
Meu violão já me fez
D7 Bm
Ir bem longe daqui,
Dbm Gb7
Já sonhei dissonâncias
Bm
Num som sem fim.
Em A7
Um acorde, porém,
D7
Nunca pude encontrar,
Dbm Gb7 Bm
A harmonia que você levou de mim.
