

Jair Rodrigues - Leva Meu Samba

tom:

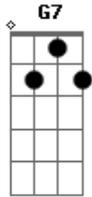

Le__va meu samba meu mensageiro
 Esse recado para o meu amor primeiro
 Vai dizer que ela é
 A razão dos meus "ais", não, não, não posso mais!

Eu que pensava que podia lhe esquecer
 Mas qual o que aumentou meu sofrer
 Falou mais alto no meu peito uma saudade
 E para o caso não há força de vontade
 Aquele samba foi pra ver se comovia o seu coração
 Quando eu dizia: Vim buscar o meu perdão!
