

# Jake Bugg - All Your Reasons

Tom: F

(com acordes na forma de D )  
 Capotraste na 3ª casa  
 Intro: Em-(Em )

Em  
 Got all of your reasons  
 And all of them's been used  
 Read a lot about it  
 You can read up in the news

There's a lot of hungry faces  
 There's a lot of pain out there  
 Oh anyway, it's been a long day  
 Oh anyway

Em  
 Didn't disappoint you  
 Didn't want to make you sad  
 Given all the choices  
 Good's given from the bad

There's a lot I need to tell you  
 There's a lot you should know  
 Oh anyway, it's been a long day

So if I keep myself on moving on  
 Oh angel, angel, angel will fly

'Cos it's my heart's desire

To set the world on fire

Oh angel, angel  
 Angel will fly to the moon

Summer's almost gone  
 And I'll be singing all the songs

I've heard all the excuses  
 And all have been refused  
 I've read a lot about you  
 You can read up in the news

There's a lot of fairy tales  
 While it's a cold world outside  
 Oh anyway, it's gonna stay that way

So if I keep myself on moving on  
 Oh angel, angel, angel will fly

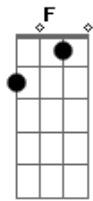

'Cos it's my heart's desire

To set the world on fire

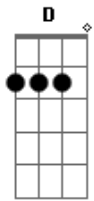

Oh angel, angel  
 Angel will fly to the moon
