

# Jake Bugg - Kitchen Table

Tom: Eb

(com acordes na forma de C )  
Capostrate na 3ª casa  
Intro: G 5 A F G A

G 5 A  
I wrote this song by your kitchen table  
F  
Maybe it all seems okay  
G F A  
Sometimes it's better just to laugh than to run away  
G 5 A  
Maybe I'll leave you in the coming winter  
F  
And all of your dreams soon fade away  
G F A  
Sometimes it's better just to run than to play your game

F  
When we were laying down  
G  
And you held my hand  
A  
Amongst the opal flowers  
A  
When we sat outside  
F G A  
And I see it's over now we just grew out of love

G  
Out from the darkness  
A  
Your heartlessness haunting my future  
F  
Down on all fours

A  
You bark bright at the descending moonlight  
G 5 A F G A  
G 5 A  
You'll be with the rest of the lonely people  
F  
Ones who live in a cold dark place  
G F A  
Sometimes it's better just to run then to face the pain  
G 5 A  
I've not been seeing you for some time now  
F  
And still you choose to hold my hate  
G F A  
But after how I handled it you're hardly to blame  
F  
I feel you read my mind And look through my soul  
A  
As our love grew fainter And your face grew wetter  
F  
And I see it's over now  
G A  
We just grew out of love  
G  
Out from the darkness  
A  
Your heartlessness haunting my future  
F  
Down on all fours  
G A  
You bark bright right at the descending moonlight
