 Last night the moon watched the sea,
Em
 As he looked so sad,

 His reflection told me the story,

C **Em**
 Why he didn't speak a sound,
C **Em**
 And all to do is weep, come down.

Em **G** **Bm**
 I tried to ask him what he needs,
Em
 Moon light paints my face,
G **Bm**
 And when he turned and looked to me,

C **Em** (strum this chorus)
 Still we never speak a sound,
C **Em**
 And all to do is weep, come down.

Em **G** **Bm**
 And when the up comes to an end,
Em
 And all is last,
G **Bm**
 The moon will lose his only friend,

C **Em** (strum this chorus)
 Still we never speak a sound,
C **Em**
 And all to do is weep, come down.

C **Em** (strum this too)
 No more words,
C **Em**
 Lost in space,
C **Em**
 It's on his face,
C
 Man on the moon.
