Tom: **Db**

(com acordes na forma de **C** )  
Capotraste na 1ª casa

**C**  
You can walk in the pine trees

**G**  
You can sit down

**Am** **G**  
You can hold the earth in your hands

**C**  
You can run from all this

**G**  
You can go the long way

**Am** **G**  
You can carry my weight the whole way down

**F** **Am**  
As the crow flies straight

**C** **G**  
Holds me in his gaze

**F** **Am**  
As he rises to his fate

**C** **G**  
We can do the same

**F** **Am**  
I try not to visualize other people's eyes

**G**  
And their compromising ways

**F**  
And as I leave them far behind

**Am** **G**

I try to hide the route of my escape

(Plays **D** by sliding **C** shape up two frets)

**C**  
You can sit in the pine trees

**G**  
You can feel at home

**Am** **G**  
You can breathe a sigh of silence in the woods

**C**  
You can bawl your heart out

**G**  
Make your feelings known

**Am** **G**  
Things the grass already knows

**F** **Am**  
As the crow flies straight

**C** **G**  
Holds me in his gaze

**F** **Am**  
As he rises to his fate

**C** **G**  
We can do the same

**F** **Am**  
I try not to visualize other people's eyes

**G**  
And their compromising ways

**F**  
And as I leave them far behind

**Am** **G**  
I try to hide the route of my escape
