

# Jake Bugg - Trouble Town

Tom: **D**  
**E**  
 Stuck in speed bump city Where the only thing that's pretty  
**G A** **E**  
 Is the thought of getting out  
**E**  
 There's a tower block overhead All you've got's your benefits  
**G A** **E**  
 And you're barely scraping by  
**A**  
 In this trouble town  
**E**  
 Troubles are found  
**A**  
 In this trouble town  
**E**  
 Words do get 'round  
**E**  
 Kick the bottom make troubles flee Smoke until our eyes would bleed  
**G A** **E**  
 Sparkle pop the seed  
**E**  
 Hear the sirens down the street The kids get light on their feet  
**G A** **E**  
 Or they'll be in the back seat  
**A**  
 In this trouble town  
**E**  
 Troubles are found  
**Bm**  
 Sitting on the pavement  
**A**  
 Boy you've missed your payment  
**A** **E**  
 And they're gonna find you soon  
**Bm**  
 If there's a beating in the rain  
**A**  
 If there's a little bit of pain, man  
**A** **E**  
 You're the one it happens to  
**E**  
 If I talk of getting out I only hear the laughter loud  
**G A** **E**  
 It's got an ugly echo  
**E**  
 Somewhere there's a secret road To take me far away I know  
**G A** **E**  
 But 'til then I am hollow  
**A**  
 In this trouble town  
**E**  
 Troubles are found  
**A**  
 In this trouble town  
**E**  
 Words do get 'round  
**Bm**  
 Sitting on the pavement  
**A**  
 Boy you've missed your payment  
**A** **E**  
 And they're gonna find you soon  
**Bm**  
 If there's a beating in the streets  
**A**  
 If there's a feeling of defeat  
**A** **E**  
 You're the one it happens to  
**E**  
 Stuck in speed bump city Where the only thing that's pretty  
**G A** **E**  
 Is the thought of getting out
