

Jake Bugg - Waiting

Tom: C

All the time before I knew you
 Seems now so long
 And I cannot explain
 Even if I try

No, you never make it easy
 No, it's hard to be strong
 But all in good time
 I can wait

I'll be waiting
 I'll be waiting
 For I cannot explain
 Even if I try
 When you're leaving
 I'll be waiting
 For I cannot refuse you

I've tried
 (C Am F Am)

All the years spent together
 Slowly aging on
 And I wonder just what's wrong
 Are you tired?

I'll be waiting
 I'll be waiting
 For I cannot explain
 Even if I try
 When you're leaving
 Lord knows I'll be waiting
 For I cannot refuse you
 I've tried
