

Jake Bugg - Waiting

Tom: C

All the time before I knew you
Seems now so long
And I cannot explain
Even if I try

No, you never make it easy
No, it's hard to be strong
But all in good time
I can wait

I'll be waiting
I'll be waiting
For I cannot explain
Even if I try
When you're leaving
I'll be waiting
For I cannot refuse you

I've tried
(C Am F Am)

All the years spent together
Slowly aging on
And I wonder just what's wrong
Are you tired?

I'll be waiting
I'll be waiting
For I cannot explain
Even if I try
When you're leaving
Lord knows I'll be waiting
For I cannot refuse you
I've tried
