Tom: **Bb**

(com acordes na forma de **A**)

Capotraste na 1ª casa

E
As the clouds roll by

A7
I can see the sunshine

B7
Mmmhmm

B7

E
'Cause it's sad and slow

And oh so close

B7
We fell together and made our way

E
But now it seems

A7
You don't need me

B7
Where will you go when the storm passes away

E
'Cause I'm on my knees

Turn off the darkness please

Where will you go

B7
And they keep telling me

E
I'm older than I'm supposed to be

A7
You will go when the storm passes away

B7

E
I'll keep the storm if I can keep you

D
I'll live in the rain if you will too

A7
We can ride together

B7
We can ride the weather

A7

E
'Cause I've lost my stance

Just like a fallen man

B7
Oh the things I've hoped you would say

E
Your radiance runs deep

A7
In my colour scheme

B7
Where will you go when the storm washed you away

E
'Cause I'm on my knees

Turn off the darkness please

B7
Where will you go

E
'Cause they keep telling me

A7
I'm older than I'm supposed to be

B7
You will go when the storm passes away

E
Where will you go when the storm passes away
