

Jake Miller - Astronaut

Tom: **E**

Intro: **Dbm A B Abm**
Dbm A B

B Dbm A
I've been awaiting all my life, waiting for your time, baby
Dbm A
Half a million sleepless nights
B
Just to feel your touch for a minute
Dbm A
I know that I've been begging for it, babe, I know
B Abm
We keep running into this mess, oh no
Dbm A
I just wanna feel your love close
B
But I don't think you know that
[Refrão]

Dbm A
I'm feeling like an astronaut, like an astronaut
B Abm
With this space between us in this bed
Dbm A
Feeling like an astronaut, like my heart will stop
B
Cause you know that you're my oxygen
Dbm A B
Abm
It feels like I'm a world away when, baby, you're right next
to me
Dbm A
I'm feeling like an astronaut, like an astronaut, astronaut
B
Astronaut, oh whoa

(**Dbm A B Abm**)
(**Dbm A B**)

Dbm A
You've been on my mind for days
B Abm
The tension in between us, can you feel it?
Dbm A B
Is this my reality? Or maybe it's a dream, babe
But you in it

Dbm A
I know that I've been begging for it, babe, I know
B Abm
We keep running into this mess, oh no
Dbm A
I just wanna feel your love close
B
But I don't think you know that
[Refrão]

Dbm A
I'm feeling like an astronaut, like an astronaut
B Abm
With this space between us in this bed
Dbm A
Feeling like an astronaut, like my heart will stop
B
Cause you know that you're my oxygen
Dbm A
It feels like I'm a world away
B Abm
When, baby, you're right next to me
Dbm A
I'm feeling like an astronaut, like an astronaut, astronaut
B
Astronaut oh whoa
