

Jamelão - Molambo

tom:

C

Eu sei que vocês vão dizer
 Que é tudo mentira, que não pode ser
 Que depois de tudo o que ela me fez
 Eu jamais poderia aceitá-la outra vez
 Pensei que assim procedendo
 Me exponho ao desprezo de todos vocês
 Lamento, mas fiquem sabendo
 Que ela voltou e comigo ficou

Ficou pra matar a saudade
 A tremenda saudade que não me deixou
 Que não me deu sossego um momento sequer
 Desde o dia em que ela me abandonou
 Ficou pra impedir que a loucura
 Fizesse de mim um molambo qualquer
 Ficou dessa vez para sempre
 Se Deus quiser
 Ficou dessa vez para sempre
 Se Deus quiser
