

James Arthur - Broken Hearted

Tom: **E**
Intro: **E Dbm A2 B**

Well it started at a party **E**
I never knew your name **Dbm**
You never knew mine either **A2**
But there was something about your face **B**
And you decided to come over **E**
And I think it started there **Dbm**
You said "I really like you" **A2**
And there was something in the air **B**
And then the party ended **E**
And we were all alone **Dbm**
We lay there talking for hours **A2**
And then I walked you home **B**
Then you kissed me in the garden **E**
I picked you out a rose **Dbm**
You said "I think I love you" **A2**
That's when my body froze **B**
And I said

Refrão:
E
"Never leave me broken hearted **Dbm**
Baby I'm not strong enough **A2**
Don't ever please don't ever, ever let me go" **B**
You said "baby I won't" **A2**
You Said "Baby I won't" **B**

But today you acted different **E**
I asked if you were alright **Dbm**

You said "yeah trust me I'm okay" **A2**
Then you put your lips on mine **B**
That's when I realised **E**
Your eyes are full of lies **Dbm**
You would have fucked me for the story **A2**
You wanna take me for the ride **B**
