

# James Arthur - Cruel

tom:  
**Db** (forma dos acordes no tom de **C**)  
 Capotraste na 1ª casa

**C**  
 You left your anti-depressants on the dresser  
**Am7**  
 It's a freezing cold reminder of all of the pressure  
**C**  
 We stole serotonin from the moments between comas  
**Am7**  
 By the way, by the way, I still have your letter  
**C**  
 I still hold on to your confessions  
**G**  
 I still lie about getting better  
**Am7**  
 Do you still obsess about the meta?  
**F**  
 I think we were good together  
**F**  
 Do you remember?

**F**  
 I get it, you were the dancing queen, oh, I  
**F**  
 But you were never just that to me, oh, I  
**F**  
 I guess I thought you'd come back for me  
**C**  
 Now I drink to drown you out  
**G**  
 I talk shit about you, isn't it cruel  
**G**  
 That I never got to say goodbye to you?

**C**  
 They tell me you met somebody new, I hope you ruin it  
**Am7**  
 I'm on some petty shit 'cause you never left me with anything  
**Am7**  
 Do you remember

When we would throw on those abba records?  
**G**  
 When you were anything but pretentious?  
**Am7**  
 To your love, I was defenseless  
**F**  
 Do you remember?  
**F**  
 Do you remember?

**F**  
 I get it, you were the dancing queen, oh, I  
**F**  
 But you were never just that to me, oh, I  
**F**  
 I guess I thought you'd come back for me  
**C**  
 Now I drink to drown you out  
**G**  
 I talk shit about you, isn't it cruel  
**G**  
 That I never got to say goodbye to you?

**F**  
 And all I wanted was to say goodbye  
**F**  
 The dancing queen  
**F**  
 Oh, yeah

**F**  
 I get it, you were the dancing queen, oh, I  
**F**  
 But you were never just that to me, oh, I  
**F**  
 I guess I thought you'd come back for me  
**C**  
 Now I drink to drown you out  
**G**  
 I talk shit about you, isn't it cruel (cruel)  
**G**  
 I never got to say goodbye to you?
