

James Arthur - Empty Space

Tom: **C**

[Verso 1]

C
I don't see you
C
You're not in every window I look through
G
And I don't miss you
G
You're not in every single thing I do
F
I don't think we're meant to be
G
And you are not the missing piece

[Verse 2]

C
I won't hear it
C
Whenever anybody says your name
G
And I won't feel it
G
Even when I'm burstin' into flames
F
I don't regret the day I left
G
I don't believe that I was blessed
F
I'm probably lyin' to myself, again **G**

[Refrão]

C
I'm alone in my head
C
Looking for love in a stranger's bed
G
But I don't think I'll find it
F
'Cause only you could fill this empty space
C
I wanna tell all my friends/
C
But I don't think they would understand **G**
G
It's somethin' I've decided
F
'Cause only you could fill this empty space **G**

C
Space, space
C
This empty space **G**
G
Space, space
G
This-
F
'Cause only you could fill this empty space **G**

[Verso 3]

C
I've been drinking

C
I've been doin' things I shouldn't do
G
Overthinking
G
I don't know who I am without you
F
I'm a liar and a cheat
G
I let my ego swallow me
F
And that's why I might never see you again **G**
