

# James Arthur - Fall

tom:

Intro: E A E E

I've been beaten and broken and tread upon

And they so no is the answer to the temptations

When those demons come rushing, nowhere to run

Sometimes I feel nothing at all

Sometimes I want someone to hold

Sometimes I carry on

Just to stumble down once more

Sometimes I, I, I wanna fall

I teach love is the fluid in all my songs

But then I faked my way through it with alcohol

I speak the language so fluid

Lost in translation

But I guess they don't see you in their camera phones

Sometimes I feel nothing at all

Sometimes I want someone to hold

Sometimes I carry on

Just to stumble down once more

Sometimes I, I, I wanna fall

Yeah, I just wanna fall again, I just wanna fall

Yeah, I just wanna fall, I just wanna fall

Sometimes I, I carry on

I just stumble down once more

Sometimes I, I, I wanna fall
