Bm
I remember years ago

Someone told me I should take

I was careless, I forgot

I did

Em
And now when all is done

There is nothing to say

You have gone and so effortlessly
You have won

You can go ahead tell them

Tell them all I know now

Shout it from the rooftops
A
Write it on the skyline

All we had is gone now
Bm
Tell them I was happy

And my heart is broken

All my scars are open

Tell them what I hoped would be

Impossible, impossible

Impossible, impossible
