

# James Arthur - Impossible

tom:

Intro: x2: **Bm** **D** **A** **G**

**Bm**  
I remember years ago  
**D**  
Someone told me I should take  
**A**  
Caution when it comes to love  
**G**  
I did I did  
**Bm**  
And you were strong and I was not  
**D**  
My illusion my mistake  
**A**  
I was careless I forgot  
**G**  
I did

Pre-chorus

**Em**  
And now when all is done  
**Gbm**  
There is nothing to say  
**G**  
You have gone and so effortlessly

You have won  
**A**  
You can go ahead tell them

[Refrão]

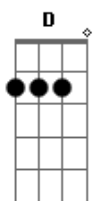

**Bm**  
Tell them all I know now  
**D**  
Shout it from the rooftops  
**A**  
Write it on the skyline  
**G**  
All we had is gone now  
**Bm**  
Tell them I was happy  
**D**  
And my heart is broken  
**A**  
All my scars are open  
**G**  
Tell them what I hoped would be  
**Bm** **D**  
Impossible impossible  
**A** **G**  
Impossible impossible

[Refrão]

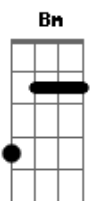

Verse 2

Falling out of love is hard  
Falling for betrayal is worst  
Broken trust and broken hearts  
I know I know  
Thinking all you need is there  
Building faith on love is worst  
Empty promises will wear

I know (i know)

Pre-chorus

And know when all is gone  
There is nothing to say  
And if you're done with embarrassing me  
On your own you can go ahead tell them
