

James Arthur - Just Us

tom:
 F (forma dos acordes no tom de E)
 Capostrate na 1ª casa

B Gb Abm
 I can't stand being the cause of the tears on your cheek
 B Gb Abm E
 There's a lump in my throat, and it won't let me speak
 B Gb Abm E
 You've been asking to talk
 B Gb Abm E
 I've been putting it off
 B Gb Abm E
 'Cause I'm scared of letting you in on the lies that I keep
 Gb Abm E
 And I know the life
 E
 I've been chasing
 Gb Abm E
 Is a waste of time
 B
 And I don't wanna say it
 Gb
 But I've been out of control
 Abm
 And I'm ready to face it
 E
 Baby, once and for all
 B
 I'm so tired of running
 Gb
 I'm sick of letting you down
 Abm Gb
 It's been a lonely road but it's all over now
 E Gb B
 It's just us from here on out
 B Gb Abm E
 And I hear people talk about love just for something to say
 B Gb Abm E
 And in this modern world you can live and then die any day
 B Gb Abm E

It's a shock to the heart
 B Gb Abm E
 We got lost in the dark but
 B Gb Abm E
 Unconditional love is a light that never fades

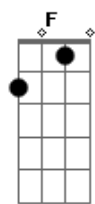

A Gb Abm E
 And I know the life
 E
 I've been chasing
 Gb Abm E
 Is a waste of time
 B
 And I don't wanna say it
 Gb
 But I've been out of control
 Abm
 And I'm ready to face it
 E
 Baby, once and for all
 B
 I'm so tired of running
 Gb
 I'm sick of letting you down
 Abm Gb
 It's been a lonely road but it's all over now
 E Gb B
 It's just us from here on out

You know that I know it's always been you
 Always you

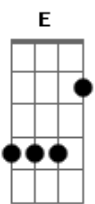

I'm so tired of running (running)
 I'm sick of letting you down (letting you down)
 It's been a lonely road but it's all over now (ooh-ooh, ooh-ooh)
 It's just us from here on out, woah-oh
 It's just us from here on out

Mm, from here on out
 Mm-mm
