**Dbm** **A** **Ab** **A**  
Under my skin, beneath my fingertips, you slip and slide away  
**Dbm** **A** **Ab** **A**  
Let me begin to understand how you operate in such a  
calculated way

**A** **B** **Dbm** **B**  
Before today, I didn't know if I'd make it, but now it's all  
making sense  
**A** **Ab**  
Oh, ohh

**Dbm**  
I wear you like a new tattoo

**A**  
The design, the desire, I don't wanna remove  
**Ab** **A**  
You're the kind of thing, that I could love forever  
**Dbm**  
I wear you like a new tattoo

**A**  
And I'll be so happy, that I'm stuck with you  
**Ab** **A**  
And we cannot deface in any weather, ooohh

**Dbm** **A**  
Daa da, da daa da, da da daa, daa da daa  
**Ab** **A**  
Daa da, da daa da, da da daa, yeahh

**Dbm** **A** **Ab**  
**A**  
And do you ever look in the mirror and not know who you are,  
or know where you're going, ooh  
**Dbm** **A** **Ab** **A**  
I've been that boy for what feels like 500 years, now I'm  
finally finding me

**A** **B** **Dbm** **B**  
Before today, I didn't know if I'd make it, but now it's all  
making sense  
**A** **Ab**  
Oh, oh, ohhhh, yeah, yeahh, yeah

**Dbm**

I wear you like a new tattoo

**A** **B** **Dbm** **B**  
And I was so lost, and I was so lost in this world with no  
place and no purpose

**A** **Ab**  
Now I'm blowing up and will get bigger, never hide from a  
fight, got the heart of a winner

**Dbm**  
I wear you like a new tattoo

**A**  
The design, the desire, I don't wanna remove  
**Ab** **A**
