

## James Arthur - Safe Inside

```
Tom: Ab
 (com acordes na forma de G )
Capostraste na 1ª casa
I remember when you were all mine
Watched you changing in front of my eyes
          G D
What can I say
Now that I'm not the fire in the cold
Now that I'm not the hand that you hold
                 G D
As you're walking away
Will you call me to tell me you're alright
Cause I worry about you the whole night
Don't repeat my mistakes
I won't sleep 'til you're safe inside
If you're home I just hope that you're sober
Is it time to let go now you're older
Don't leave me this way
I won't sleep 'til you're safe inside
Everyone has to find their own way
And I'm sure things will work out okay
I wish that was the truth
All we know is the sun will rise
Thank your lucky stars that you're alive
It's a beautiful life
Will you call me to tell me you're alright
```
