Capostrate na 1ª casa

**G**  
I remember when you were all mine **D**  
Watched you changing in front of my eyes **Em**  
What can I say **G D**  
**G** **D**  
Now that I'm not the fire in the cold  
Now that I'm not the hand that you hold **Em**  
As you're walking away **G D**  
**G** **D**  
Will you call me to tell me you're alright  
Cause I worry about you the whole night **Em**  
Don't repeat my mistakes  
**G** **D**  
I won't sleep 'til you're safe inside  
**G** **D**  
If you're home I just hope that you're sober  
Is it time to let go now you're older **Em**  
Don't leave me this way  
**G** **D**  
I won't sleep 'til you're safe inside  
**G** **D**  
Everyone has to find their own way **Em**  
And I'm sure things will work out okay **G D**  
I wish that was the truth  
**G** **D**  
All we know is the sun will rise **Em**  
Thank your lucky stars that you're alive  
It's a beautiful life **G D**  
**G** **D**  
Will you call me to tell me you're alright

**Em**  
Cause I worry about you the whole night  
Don't repeat my mistakes  
**G** **D**  
I won't sleep 'til you're safe inside  
**G** **D**  
If you're home I just hope that you're sober  
Is it time to let go now you're older **Em**  
Don't leave me this way  
**G** **D**  
I won't sleep 'til you're safe inside  
**Em** **B7**  
If you make the same mistakes  
I will love you either way **C**  
**G** **D**  
All I know is that I can't live without you  
**Em** **B7**  
There is nothing I can say **C**  
That will change you anyway  
**G** **D** **Em**  
Darling, I could never live without you  
**C** **G** **D**  
I can't live, I can't live

Cause I worry about you the whole night **Em**  
Don't repeat my mistakes  
**G** **D**  
I won't sleep 'til you're safe inside  
**G** **D**  
If you're home I just hope that you're sober  
Is it time to let go now you're older **Em**  
Don't leave me this way
