

James Arthur - Say You Won't Let Go

Tom: Bb

B Dm Gm Eb

B I met you in the dark Dm

You lit me up

Gm
You made me feel as though

I was enough

We danced the night away
We drank too much
I held your hair back when
You were throwing up

Then you smiled over your shoulder For a minute, I was stone cold sober I pulled you closer to my chest And you asked me to stay over I said, I already told ya I think that you should get some rest

I knew I loved you then
But you'd never know
Cause I played it cool when I was scared of letting go
I know I needed you
But I never showed
But I wanna stay with you
Until we're grey and old
Just say you won't let go
Just say you won't let go

I wake you up with some breakfast in bed I'll bring you coffee With a kiss on your head And I'll take the kids to school Wave them goodbye
And I'll thank my lucky stars for that night

When you looked over your shoulder For a minute, I forget that I'm older I wanna dance with you right now, oh And you look as beautiful as ever And I swear that everyday you'll get better You make me feel this way somehow

I'm so in love with you
And I hope you know
Darling your love is more than its worth in gold
We've come so far my dear
Look how we've grown
And I wanna stay with you
Until we're grey and old
Just say you won't let go
Just say you won't let go

I wanna live with you Even when we're ghosts Cause you were always there for me When I needed you most

I'm gonna love you till
My lungs give out
I promise till death we part
Like in our vows
So I wrote this song for you
Now everybody knows
Cause it's just you and me
Until we're grey and old
Just say you won't let go
Just say you won't let go

Just say you won't let go Oh, just say you won't let go

Acordes
