

James Arthur - Say You Won't Let Go

Tom: A

A
I met you in the dark
E
You lit me up
Gbm
You made me feel as though
D
I was enough
A
We danced the night away
E
We drank too much
Gbm
I held your hair back when
D
You were throwing up

A
Then you smiled over your shoulder
E
For a minute, I was stone cold sober
Gbm D
I pulled you closer to my chest
A
And you asked me to stay over
E
I said, I already told ya
Gbm D
I think that you should get some rest

A
I knew I loved you then
E
But you'd never know
Gbm D
Cause I played it cool when I was scared of letting go
A
I know I needed you
E
But I never showed
Gbm
But I wanna stay with you
D
Until we're grey and old

A E
Just say you won't let go
Gbm D
Just say you won't let go

I wake you up with some breakfast in bed
I'll bring you coffee
With a kiss on your head
And I'll take the kids to school
Wave them goodbye
And I'll thank my lucky stars for that night

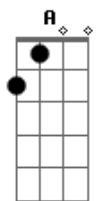

When you looked over your shoulder
For a minute, I forget that I'm older
I wanna dance with you right now, oh
And you look as beautiful as ever
And I swear that everyday you'll get better
You make me feel this way somehow

I'm so in love with you
And I hope you know
Darling your love is more than its worth in gold
We've come so far my dear
Look how we've grown
And I wanna stay with you
Until we're grey and old
Just say you won't let go
Just say you won't let go

I wanna live with you
Even when we're ghosts
Cause you were always there for me
When I needed you most
I'm gonna love you till
My lungs give out
I promise till death we part
Like in our vows
So I wrote this song for you
Now everybody knows
Cause it's just you and me
Until we're grey and old
Just say you won't let go
Just say you won't let go

Just say you won't let go
Oh, just say you won't let go
